

CHURCH FENTON PARISH COUNCIL

PROPOSED ALL WEATHER PLAY FACILITY – MAIN STREET PLAY AREA - CONSULTATION

The Parish Council are proposing to enhance the play facilities at the Main Street Play Area by providing an all-weather multi use games area. An example of what could be provided is shown below.

Whilst a scheme has not been finalised the current proposal is as follows:

- A games area of about 20metres by 10 metres which is suitable for informal play and recreation
- A fenced area with either wooden or metal fencing including goal and basketball hoops
- Low fencing along the sides to reduce the “cage” appearance of some of these facilities
- A green artificial surface that can be used in all weathers
- The facility would be located on part of the grassed area with goalposts next to the skatepark, though would not use all of this area. The approximate location is shown in the plan below:

Before taking this scheme any further forward the Council wishes to know the views of local residents. A comments form is include below. Responses can be:

- Returned to the Village Shop
- Handed to the Clerk or any Parish Councillor
- Emailed to clerk@church-fenton.net
- Posted to the Parish Clerk at 10 Old Farm Way, Brayton, Selby, YO8 9SZ

Please respond by Friday 6th October so this can be considered at the Parish Council meeting on 19th October.

REPOSE FORM

I **support** the provision of an all-weather games area at Main Street Play area

I **object** to the provision of an all-weather games area at Main Street Play area
